

## CEEVACS CLOTHING

Ceevacas club members receive an email whenever the club clothing store is open (usually three to four times a year).

The TWO new designs, one featuring our fabulous signature neon yellow and a new Canadian inspired maple leaf camo print, and now also a second style in high visibility neon PINK showcasing a lovely print of BC's wild roses that we enjoy on many of our outdoor adventures, especially at this time of year. Both styles are available in men's and women's cuts, being the non-discriminatory club that we are 😊

There are MANY new items available, from cycling jackets and tri suits, to socks, caps and visors, and so many more.

As always, the original ceevacas club running apparel will remain available. The store is open to everyone.

If you choose "group shipping" at the checkout, shipping is free and it will come to me and I will distribute. You can also choose to pay for shipping directly to your address which is about 20\$. It takes about 6 weeks from the date the store closes to receive your items.

\*\*\*I can't stress this enough- please- before ordering your item, be sure to thoroughly read the item description as there are similar products made of different fabrics, thicknesses and fit. Some items are designed to be very tight fitting, especially in the triathlon and cycling items for superior aerodynamics. You can browse through their products here:
